# Windscreen Signage

## Adhesive Num-

Adhesive numbers make it easy to display any price on any vehicle. Prices can be adjusted by changing the appropriate digit(s).

Adhesive numbers are made of waterproof vinyl with a slit on the back for easy application. Shrink wrapped and sold by the dozen.

Easy to stick on, easy to remove and they leave no sticky residue.

Numbers shown: AV 500 White Classic (page 6)

## Starter Kit

Adhesive numbers are available as a starter kit.

Each starter kit comprises of:

4 dozen 9's

3 dozen \$'s

2 dozen each of 1's 2's 3's 4's 5's 6's 7's 8's 0's

Starter kits include a free storage box.

# Self Laminating Key Tags

AV 311

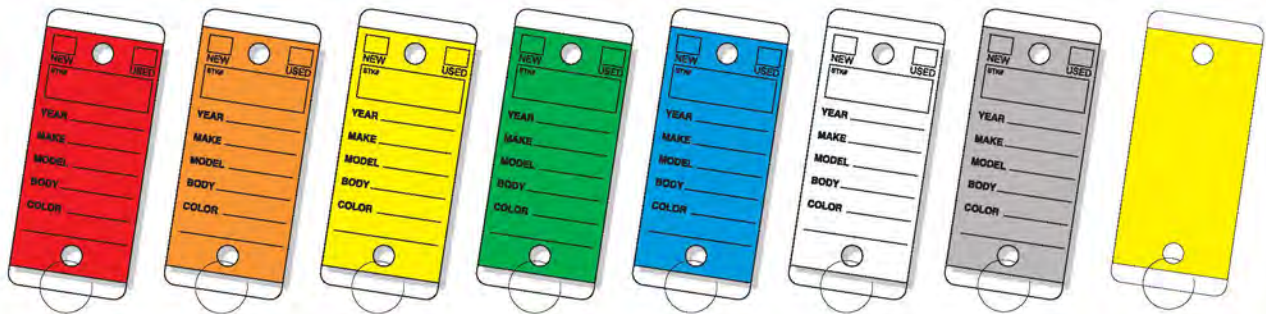

**\$42.00** Per box of 250

Self Laminating Key Tags easily and quickly fold into a completely sealed, waterproof, plastic covered tag.

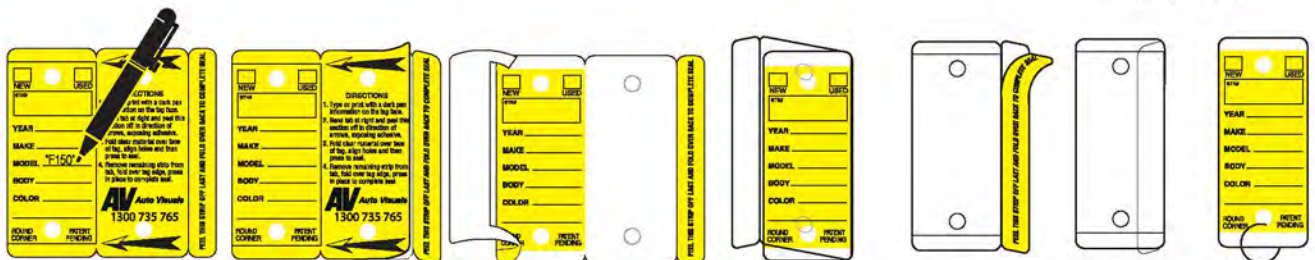

Colours available:

Assorted, Red, Orange, Yellow, Green, Blue, White, Grey.

Rings included.

Blank also available:  
(in yellow)

1. Write information on tag face using a dark pen.

2. Slightly bend right hand tab downward and peel centre section right to left.

3. Completely remove centre section from surface, exposing adhesive on the clear material.

4. Fold tag from left to right, using edge of tab for alignment, match holes, press in place.

5. Remove cover from tab.

6. Fold tab around edge of tag, press in place.

7. Attach ring and you have the finest key tag in Australia.
